

HLC-58C-VET
 Dakota Digital Clock Installation
 For '58-'62 Chevy Corvette

HLC-58C-VET Includes:

HLC Clock

Clamping Back Plate

Harness

4X 4-24 x 1/2" Mounting Screws

Installation

1. Remove the clock bezel from the car and place the HLC clock in the bezel from the front. Place the clamping back plate over the rear of the HLC, and secure the clock using the four supplied screws.

2. Connect the supplied harness to the clock.
Route the other end to the control box.

3. Reinstall the clock bezel in to the dash and refer to the Operation Manual to complete the clock setup.
