

RLC-55C

Dakota Digital Clock Installation
For 1955-'56 Chevy Speaker Clocks

RLC-55C Includes:

RLC Clock

Clamping Back Plate

Harness

4X 4-24 x 3/4" Mounting Screws

Installation

1. Remove the speaker bezel and original clock from the car and place the RLC clock in the speaker bezel from the front. Place the clamping back plate over the rear of the RLC, and secure the clock using the four supplied screws.

2. Connect the supplied harness to the clock. Route the other end to the control box.

3. Reinstall the speaker bezel in to the dash and refer to the Operation Manual to complete the clock setup.
