For 1986-'91 Jeep Wagoneer  
1986-'88 Jeep J-Trucks

Your new **VHX-86J-WAG** kit includes:

**VHX Display**

**Universal Sender Pack**

**Installation Manuals**

**Control Box**

**Switch Assembly**

**CAT5 Cable**

## Installation

1. Remove the stock dash trim panel. Retain all hardware for reassembly.

2. Remove the four (4) screws that mount the stock gauge cluster to the dash and remove the gauge cluster. Retain the hardware for reassembly.

3. Connect the provided CAT5 cable to the rear of the VHX system and feed the open end of the cable through the dash.

4. Mount the VHX system to the dash using the stock mounting screws. Take care when routing the CAT5 cable to the control box mounting location.

5. Re-install the dash trim panel the using factory hardware. Refer to the main manual to complete the VHX installation.
