

VLC-40C

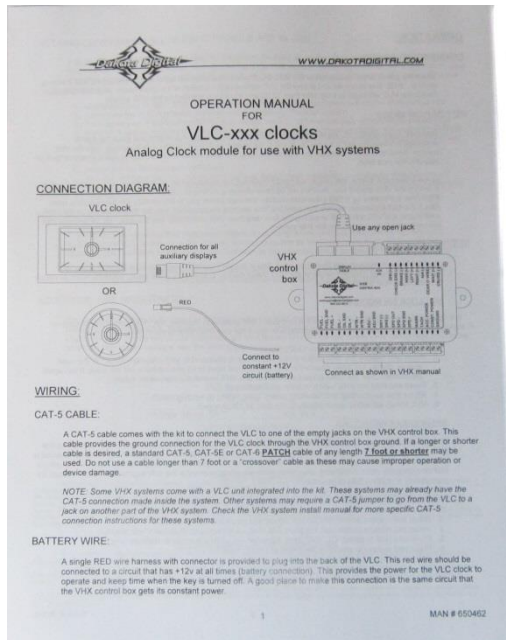

Dakota Digital VHX Clock Installation For 1940 Chevrolet Car

Your new VLC-40C kit includes:

VLC Clock

Installation Manuals

CAT5 Cable

Power Harness

(2X) 1/2" screws

Installation

1. Disconnect and remove the original clock by removing the two screws on the backside.

2. With the original clock removed, carefully maneuver the VLC clock in place while centering the bezel. Secure the gauge with the supplied screws.

3. Connect the CAT5 cable and the power harness to the clock. Route the other ends to the VHX control box. Refer to enclosed clock operating manual for these connections and setup.
