

HLC-57C

Dakota Digital HLC Clock Installation
For '57 Chevrolet Car Clocks

Your new HLC-57C kit includes:

HLC Clock

2X HLC Clamps

Harness

2X Thumb Nuts

Installation

1. The clock should be inserted into the stock clock location from the front.

2. Slide the L-clamps over the studs from the back and tighten the thumb nuts to secure the clock into the dash.

3. Connect the clock harness to the back of the clock. Route the other end of this harness to the HDX control box and refer to the HDX operation manual to complete the clock setup.
