

RLC-57C

Dakota Digital RLC Clock Installation
For '57 Chevrolet Car Clocks

Your new RLC-57C kit includes:

RLC Clock

2X Clamps

Harness

2X Thumb Nuts

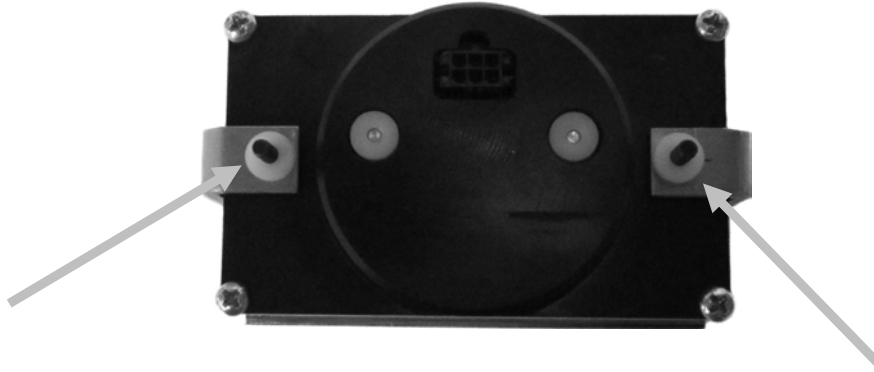

Installation

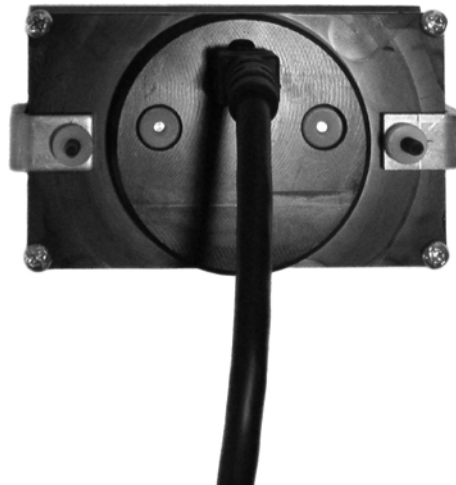

1. The clock should be inserted into the stock clock location from the front.

2. Slide the L-clamps over the studs from the back and tighten the thumb nuts to secure the clock into the dash.

3. Connect the clock harness to the back of the clock. Route the other end of this harness to the RTX control box and refer to the RTX operation manual to complete the clock setup.
