

## RTX-54C-PU

Dakota Digital RTX Instrument Installation  
For '54 and '55 "First Series" Chevy pickup

Your new RTX-54C-PU kit includes:

RTX Display

Universal Sender Pack

Buzzer

Installation Manuals

Switch Assembly

Interconnect Harness

### Installation

1. Remove the stock gauges from the dash. Each gauge is held in place by three nuts on studs on the back of the dash. Save the nuts as they will be re-used to secure the new RTX kit.

2. Secure the new RTX Instruments to the dash re-using the original nuts.

3. Connect the provided interconnect harness to the back of the RTX system.

4. Connect the provided main harness and the buzzer (optional for audio feedback) to the back of the RTX system.

5. Refer to the main manual for wiring instructions to complete the RTX installation.
