

# VHX-68B-SKY

Dakota Digital VHX Instrument Installation  
For 1968-'69 Buick Skylark

Your new VHX-68B-SKY kit includes:

### VHX Display

### Universal Sender Pack

### Switch Assembly

### Installation Manuals

### (4x) Screws

### Control Box

### CAT5 Cable

## Installation

1. Remove the gauge bezel from the dash and save all hardware for reassembly.

2. Remove the stock gauges from the bezel by removing the four screws shown in grey arrows. These screws are not reused.

**Stock Gauges Removed**

3. With the stock gauges removed you can now mount the VHX system to the bezel by using the four 1/2" supplied mounting screws.

4. Attach the provided CAT5 cable to the back of the VHX system and carefully route the open end to the control box mounting location.

5. Refer to the main manual for wiring instructions to complete the VHX installation.
