

# VLC-41C

## Dakota Digital VHX Clock Installation For 1941-'48 Chevrolet Car

Your new VLC-41C kit includes:

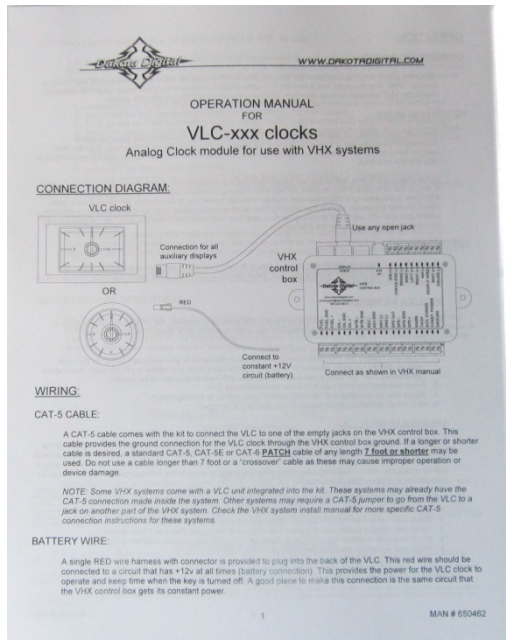

VLC Clock

Power Harness

### Installation Manuals

CAT5 Cable

(2X) Flanged Nuts

(2X) Flat Head screws

## Installation

1. Disconnect and remove the original clock. Retain the nuts that mount the left side of the gauge for re-assembly.

2. With the original clock removed, carefully maneuver the VLC clock in place while lining up the mounting locations and secure the gauge with the supplied screws and nuts as well as the retained nuts from disassembly.

3. Connect the CAT5 cable and the power harness to the clock. Route the other ends to the VHX control box. Refer to enclosed clock operating manual for these connections and setup.
