

# VLC-63C-VET

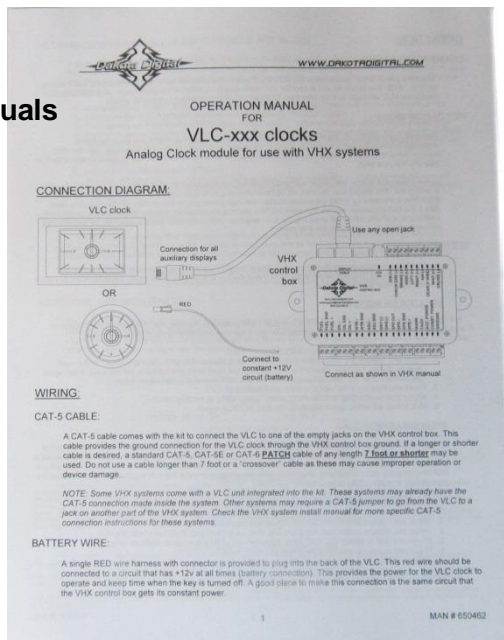

Dakota Digital VHX Clock Installation  
For 1963-'67 Corvette

Your new VLC-63C-VET kit includes:

VLC Clock

Installation Manuals

Power Harness

CAT5 Cable

2X Thumb Nuts

## Installation

1. Disconnect and remove the original clock. This is a direct replacement so no existing parts or hardware will be reused.

2. With the original clock removed, carefully maneuver the VLC clock in place while lining up the mounting studs into location and secure the gauge with the two supplied thumb nuts.

3. Connect the CAT5 cable and the power harness to the clock. Route the other ends to the VHX control box. Refer to enclosed clock operating manual for these connections and setup.

**⚠ WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)
